4. The application has been amended as follows:

IN THE CLAIMS

5. Claims 16-26 have been cancelled.

Allowable Subject Matter

6. Claims 1-3, 7-15 and 27-36 are allowed.
7. The following is an examiner's statement of reasons for allowance: Although the prior art of record, Yoshimura (U.S. 5,650,974) fails to teach means for preventing the primary and secondary batteries from charging each other including a first diode preventing discharge of the secondary battery into the primary battery and a second diode preventing discharge of the primary battery into the secondary battery, and means of determining whether the primary or secondary battery has a higher voltage prior to initial installation of the smart card in the host device; and providing power to the processing and memory circuitry with whichever battery has the higher voltage prior to initial installation of the smart card in the host device. These limitations in conjunction with other limitations in the claimed invention were not shown by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
